Tax Delay Depleting Venice General Fund

Delay in completion of tax books for Venice township, as well as three other Quad-City townships, will force the city of Venice to begin transferring excess monies from its various funds for use by the general fund within the next four to five weeks, city officials disclosed today.

City Comptroller Carl Byrnes said there is a balance of about \$27,000 in the general fund now, but that the city pays out around \$24,000 a month to meet general fund obligations. The transfer of funds will be necessary, according to Dr. John E. Lee, mayor of Venice, unless tax collections are made before the general fund balance is exhausted.

Because of tax middle stemming from failure of St. Clair county assessing officials to complete their work and permit certification of a tax rate for

the East Side Levee and Sanitary district—a rate which must be applied for that part of the levee district lying in the four Madison county townships—there appears little likelihood that tax collections can be made before six weeks at best.

Mayor Lee said the city cannot transfer funds from its various funds into the general fund, but it is permitted under law to transfer excess sums from different city accounts into the working cash fund. The money then can be transferred from the working cash fund to the general fund.

Granite City officials have indicated they can operate about six weeks on the existing balance in the general fund, but if tax collections are not begun by then they will have to start paying general fund obligations out of the city's working cash fund. Prolonged

delay would necessitate transfer of other account monies into the working cash fund. The city of Madison also has reserve funds. The tax collection delay in three municipalities—Granite City, Madison and Venice—and the townships of Chouteau and Nameoki has caused Miss Eulalia Hotz, Madison county clerk, to ask the state's attorney's office for a legal opinion.

Whether or not her office might proceed with completion of the tax books by extending last year's levee district rate, with an adjustment to be made later on this year's rate, or as an alternative, completion of the books without any levee district rate at all.

Tax books in all other parts of Madison county were completed early last March, collections have been completed and tax books returned to the treasurer's office.

Expect Ruling on Tax Issue Soon

Miss Eulalia Hotz, Madison county clerk, said today she is expecting a ruling within the next day or two which will determine whether tax books for four Quad-City area townships can be completed now, or whether further delay in tax collections will be unavoidable.

The ruling is awaited from the state's attorney's office on the question of whether or not it would be legal for the county clerk's office to extend last year's tax rate for the East Side Levee and Sanitary district as a means of completing the 1963 tax books for the four townships involved.

Miss Hotz sought the ruling a week ago after a delay by St. Clair county assessing officials in completing their work so a new rate for the levee district can be extended, indicated a prolonged delay in completion of the township tax books for Granite City, Venice, Chouteau and Nameoki townships.

Tax monies cannot be collected for any of the taxing units within these townships until the books are completed with a levee district rate. All other phases of the books have been completed since February.

ble so that work can be started on coordinated highway program. Col. R. E. Smyser Jr., Bi-State executive director, commented that it was agreed in principle that the East-West Gateway Study "is the thing to shoot for."

C. E. Townsend, Press-Record editor and publisher and Bi-State's vice-chairman who conducted the meeting, cited in introductory remarks a number of misunderstandings on just what metropolitan area planning means in respect to the federal highway act of 1962.

He noted that 12 of 16 major metropolitan areas have fulfilled the eligibility requirements of the law, or are doing so, but that St. Louis is one of the remaining four which has done nothing.

E. H. Holmes, director of planning for the Federal Bureau of Public Roads, in Washington said Congress passed the highway act as it had received numerous complaints that it was constructing new highways in metropolitan areas, failed to give suffi-

Adrian Price, nine, son of Mr. and Mrs. Willie Price, 118 Calhoun street, Madison, cut his right foot on broken glass; and Joseph Krusec Jr., 21, of 1640 Delmar avenue, suffered a 1½-inch cut to the bottom of his left foot when he stepped on a nail.

Mrs. Mary Hopkins, 82, Dies; Ill Four Months
Mrs. Mary Ellen Hopkins, 82, of 2726 Grand avenue, died Saturday at 11:45 a.m. at the Pleasant Rest nursing home, Collinsville. She had been ill four months.

A 55-year resident of Granite City, she was born in Worthington, England. She was a charter member of the Third Baptist Church, the St. David's Auxiliary, and the Women's Welsh Club. Her husband, W. John Hopkins, a noted baritone, died in 1940, while a daughter, Mrs. Blodwyn Byard, died in 1945.

She is survived by three daughters, Mrs. George (Ruth) Higgins, and Misses Dorothy and Mary E. Hopkins, all of Granite City; and a brother, Lewis Jones of Warren, Ohio.

Funeral services were held today. An obituary notice appeared elsewhere in today's issue.

Fire Alarm at Hospital

Firemen from the main station were called to St. Elizabeth Hospital about 2:10 a.m. when a short circuit developed in a light fixture in the basement. Firemen were on the scene 20 minutes and reported there was no fire and no damage.

The Optimists in their regular session Thursday were entertained with a film presentation, "Rey Fechte," showing historical sites and monuments honoring Abraham Lincoln. Thirty members attended Thursday's meeting.

Demo Committee Votes Approval on New Park

The Granite City Democratic committee expressed appreciation to John Winkmeier, one of its members, for the development of the Lewis & Clark Memorial state park during a meeting Thursday night at the Knights of Columbus club.

The resolution was presented by committee member Tony J. Winkmeier, custodian at the park located at the confluence of the Mississippi and Missouri rivers at the mouth of the Hartford canal, said he had no intention of accepting all of the credit for what has been accomplished, adding that he had much help.

He said that other improvements are being sought, including lighting, a public boat ramp, a flagpole and the possibility of a 40-acre addition to the site.

Appointed to a rules committee were Daniel Churoch, chairman, Richard Allen, Francis Winkmeier, and Harry Chaim. The committee is to revise the rules and report at the next meeting.

A discussion was held on the possibility of assisting the Democratic Women's Club with the operation of a booth at the Fourth of July celebration at Wilson park.

Twenty-three of the 32 committee members attended the meeting which was conducted by William Warfield, chairman. A social hour followed.

Divers Locate, Recover Missing Auto from River

A red sports car convertible owned by Len Whiteside of Madison was recovered from the Mississippi River Thursday evening near the boat landing at the foot of Bremen road in Venice.

The car was recovered by a Granite City Underwater Recovery team at the request of the Downstate Investigation Service which has been seeking the car since its disappearance was reported to Venice police on June 14.

Venice police said they had received a report from Whiteside on June 14 in which the car owner requested the arrest of a woman he accused of running his automobile into the river. He told police he had found witnesses who saw the woman dispose of the car. The woman, however, told police she had borrowed the car from Whiteside and had left it with the keys, on a parking lot where Whiteside was supposed to have picked it up. Whiteside said the car was not on the lot and the woman had not returned the car.

Delbert Landers of the Downstate Investigation Service said he had been working the case for Whiteside since the car disappeared.

The underwater team made up of Charles "Tom" Summer, captain; Donald Ballard, lieutenant; Ronald Homyer, Robert Mount and Jack Atkinson, located the car about 100 feet from the bank in 12 to 15 feet of water. Summer located the car in about 30 minutes of diving. Summer and Ballard attached cables to the car and began pulling it as line tenders and pulled the car from the water.

Whiteside, according to Landers, is employed by Southwest Bell Telephone Co. at East St. Louis.

Three Area Couples Get Divorce Decrees

Three area couples were awarded divorce decrees Friday in Madison county circuit court by Judge Michael Kinney and James O. Monroe Jr. They were—

Willie Kate Oglesby of Wood River from Huch E. D. Oglesby of Granite City. They were married Jan. 14, 1951, in Tampa, Fla., and separated Dec. 28, 1962. She charged cruelty and her maiden name of Willie Kate Lodge was restored.

Wanda Beatrice Birk from Donald Frank Birk, both of Granite City. They were married March 11, 1959, in Doniphan, Mo., and were separated last May 23. She charged cruelty and was awarded custody of two children. He was ordered to pay \$15 per week in child support.

Wilma Delores Losito from John Vito Losito, both of Granite City. They were married June 15, 1951, at Wilmington, Del., and separated June 20, 1962. She charged desertion and was given custody of one child. He was ordered to pay \$15 per week plus all medical bills in child support.

Board May Select School Architect On Wednesday

Top item on the agenda for Wednesday night's meeting of the Granite City school board will be selection of an architect to plan buildings and additions authorized in the \$2,350,000 bond issue approved May 23.

The board normally meets on Mondays, but this week's meeting was moved to Wednesday because of other activities. The board members a week ago toured school buildings in other parts of the state to look at designs by architects interested in doing the school district's work.

Construction is planned for a \$500,000 elementary school in the present Frohardt school area; a \$1,500,000 junior high school in the Pontoon Beach area, \$500,000 worth of expansion at the senior high school to include new and larger cafeteria facilities and classrooms and \$60,000 for additional classrooms at Niedringhaus grade school.

Wednesday's board meeting will be a regular session. A special meeting had been set and then canceled last week.

Venice Council Buys Two New Police Cars

The Venice city council has purchased two new patrol cars for the police department at a cost to the city of \$2025. The cars were bought from the Matthews Chevrolet Co., 1311 Niedringhaus avenue, Granite City, low bidder.

Total price bid was \$7377, but trade-in of the two old cars and deduction of excise taxes brought the amount to \$1925. The company will charge an additional \$50 per car for special installations such as spotlights, siren buttons and weapon holders, bringing the total cost to \$2025.

Boy, A Patient 5 Months, Becomes 'Candy Stripper'

A youngster who spent five months in St. Elizabeth Hospital after narrowly escaping death on a 69,000-volt high tension tower has become a volunteer Candy Stripper to do his bit in the endless routine of hospital activity.

The boy is Thomas Harris, 16, son of Mr. and Mrs. Samuel Moody, 2332 Cardinal avenue, Granite City. He began his hospital duties Friday.

On Aug. 14, 1962, Harris, then 14 years old, climbed the tower located east of the Glenview subdivision. Nearing the top, Harris reached toward one of the wires calling to a companion at the base of the tower that he could "almost touch the wires." Witnesses said there was a blinding flash and the boy fell 57 feet into a weed patch, his clothing afire.

He suffered severe burns about the face, hands and upper part of his body, fractures of both legs and left arm and severe cuts and bruises.

The boy remained in the hospital until his discharge on Dec. 1, 1962. At the time, Thomas was a 9th grade student at Coolidge junior high school.

As a Candy Stripper, young Harris will join the corps of boys and girls who do thousands of hours of work each year, assisting at jobs of all types in all parts of the hospital.

THOMAS HARRIS 16, who spent five months as a patient in St. Elizabeth Hospital, has joined the hospital's corps of Candy Strippers, volunteers youngsters who assist in countless hospital jobs.

Focus on Youth in Next 'Music Under Stars'

The accent will be on youth high school. Each of the choruses number about 20 performers. Diane McGovern will be the accompanist for each of the choruses.

Several hundred persons attended the first program last Thursday, which featured more adult selections. All performances are held at the 27th street and Delmar avenue entrance to the park.

Thursday's program will center around popular recreational songs sung by three choruses of high school students, from the fifth and sixth grades, from junior high school, and from the district's work.

Youth, 19, Faces Five Charges Filed by GC Police

Five charges were placed against Silver Pig, 19, of 2440 Ohio avenue, who was arrested about 8 p.m. Saturday by Granite City police.

He was charged with drunkenness, disorderly conduct, possession of a deadly weapon—a combat knife with a six-inch blade, profane language and no city license.

Auto Hits Power Pole

An automobile driven by Donald L. James, 20, of 2152 (rear) Edison avenue, was damaged in the front end Saturday at 3:45 a.m. when it struck a power pole at Second and State streets in Madison. James told police he was driving north on State street and dozed off, losing control of the car.

Marriage Licenses Issued

Marriage licenses have been issued to Willene Lupa, daughter of Mr. and Mrs. William Lupa, 1835 Rhodes street, Madison and Robert P. Thierry of Granite City, and to Thelma Jean Odum and Carl Barney of Madison.

\$30,000 Injury Suit Filed Against Merchant's

A \$30,000 damage suit has been filed in Madison county circuit court for Norman D. Vinyard against the New York Central Railroad and the Merchant's Dispatch Transportation Corp. of Mitchell, a subsidiary of the railroad.

The complaint states that on Aug. 9, 1962, he was an employee of Merchant's and was painting the top of a refrigerator car when a scaffold broke and he fell, injuring his foot, hands and back. He charged negligence and carelessness.

HOLD FAMILY REUNION AFTER TEN YEARS

A family reunion was held Sunday at the home of Mr. and Mrs. Earl Stenitzer, 111 Grand avenue, Madison. The occasion presented the first opportunity for the family to be together in ten years, as two sons-in-law and their families recently returned home from Europe.

The couple has 18 grandchildren ranging in age from five weeks to eight years. Supper was served buffet style in the open breezeway.

Those present were Mr. and Mrs. John Allen and children, John Jr., Loretta, Geraldine, Ann and Betty Ann; Capt. and Mrs. William Christensen and children William Jr., Kathleen Ann, Mary Ann and Beverly Ann; of Fort Leonard Wood, Mo., recently returned from Germany; Alvin, first class and Mrs. Leonard Maker and children, Lee and Linda.

Mrs. Young is spending two weeks at the Taylor home while her husband is on a business trip.

VOTA VITA CLASS MEETS WITH MRS. BARNETT

Mrs. Betty Barnett, 2014 Alameda avenue, Madison, was hostess to the Vota Vita Sunday school class of the First Baptist Church in her home Friday evening.

The meeting opened with the flag pledge and prayer given by the class teacher, Mrs. Geraldine Stenitzer, followed by the class song, "One Day."

The devotional, "Building a Cathedral," was presented by Mrs. Stein and followed with a discussion. Favorite Bible verses were recited by each member during roll call.

A social hour was held with Mrs. Marie Lassen, Mrs. Rebecca Oliver and daughter, Kathy, Mrs. Betty Hill, Mrs. Ann Red-

man, Mrs. Evelyn Shastner, Mrs. Mary Lassen, Mrs. Doris Har-

DELIVERING PITCH to batter Rich Hacker of Mascoutah's American Legion team is right-hander Bill O'Neil of Granite City. The third-inning loss was ball one and Hacker eventually drew a pass and moved to second when Bob Briscoe also walked. But O'Neil retired Dennis Plack to end the inning. The catcher is Rich Lee, who used a towel around his neck in the intense heat.

Tri-City Park Rally Stops One Run Short, Second Baptist Wins

Second Baptist held off a late-inning rush by Tri-City Park Tabernacle Friday night and won a 1950 Church League slow-pitch softball victory. Second Baptist, the league's only unbeaten team, is first at 3-0. The loop leaders were ahead 9-1 after five innings but were outscored 8-1 in the final two frames. Facing the winners were Norm Grote and Bob Cox with three hits each and Jim Grote and Jim Rippey with homers. For Tri-City Park, Larry Cooper, Ron Cooper, Randy Hiltz and Junior Davis socked two hits each. Second-place Niederrhous Methodist bombed Tri-City Park 21-1 while smashing 25 hits, including four each by Irv Slat and Bill Marcus. Getting three apiece were Glen Wolfe, Maurice Hemphill, George Vogler and Rich Hahn with homers hitting a homer in a big 15-run

Bohnstiehl Switches To University of Kansas

Rodger Bohnstiehl, unanimous choice to the Press-Record all-Southwestern Conference basketball team and a two-year all-state selection, has decided to attend the University of Kansas of the Big Eight Conference. The 6-5 Collinsville high school star had signed a letter of intent to attend New Mexico but changed his mind this week. The change did not violate any college rules since the New Mexico letter of intent was binding only on Western Conference schools. Tom Miles was 3-for-3 and Clay Parker had two hits for Grace Baptist. Grace is the only team without a victory, standing 0-4. Bethel Community, behind the five-hit pitching of Mike Burlingame, downed West 22nd Street Baptist 7-3. Leading the offense hitting a homer in a big 15-run

Legion Streak Ends, Zone Race Tightens

A three-game winning streak of Granite City's Post 113 baseball team was broken at Mascoutah Saturday but the new American Legion club leads—percentage-wise—the 22nd District's Northern Zone. Manager Roy Achenbach's team notched its second victory Thursday over Collinsville 6-5 and beat Glen Carbon the next night 6-3, both games at Wilson Park. But Mascoutah administered the first loss 5-4 Saturday afternoon at the high school field there. Granite City's 3-1 record and 750 percentage puts the team ahead of Collinsville and Edwardsville, both 5-2 and 714. The latter teams, however, are two games ahead on the victory and so Granite City is one-half length back in the games-behind column. Post 113, still playing in a variety of uniforms while awaiting shipment of new duds, is scheduled to meet East St. Louis at 6 p.m. tomorrow at Jones Park there and entertain Bellevue at 6 p.m. Thursday at Wilson Park. East St. Louis leads the district's Southern Zone with a 4-1 record.

Fanning Cracks Triple
Saturday, Mascoutah took a 1-0 lead in the fourth when Glen Kruse singled, Al Neil sacrificed and Joe Hauptman hit a triple.

Thursday evening's big victory over Collinsville came on two runs in the final inning. Pinch-hitter Bryant singled home two runners—Ketterer who doubled and Joe Hauptman who singled—with two outs.

Hauptman had three hits in four tries Thursday but missed the next two games due to job commitments. Getting all his players to the games has proven a headache for Achenbach, who had only nine of 16 players available Saturday. Four of those had to play foreign positions.

SCORING TYING RUN for Mascoutah in the sixth inning of Saturday's game is Dennis Elling while Granite City's Rich Lee waits for the late throw. Elling made a pick-off throw to first baseman Larry Johnson.

faced and Dennis Elling smacked a double.

But Granite City came back in the sixth when Larry Johnson and Gene Bryant both walked and Pat Harris singled to load the bases. Then Joe Fanning delivered a triple into the left-centerfield slot to clear the bases.

Fanning then scored himself when shortstop Rich Hacker's relay went to the backstop. He almost didn't make the attempt after pulling up at third, but raced home when napping Mascoutah failed to recover the wild throw despite catcher Bob Briscoe's frantic yelp for help.

Post 113's 4-1 lead was short-lived. In the Mascoutah sixth, Dennis Plack led off with a homer and Neil, safe on a fielder's choice, scored on an infield error. Then Jim Hopfinger singled to put runners on first and third and Achenbach brought in Terry Kofahl to relieve O'Neil.

Friday night, Granite City scored six runs in the first inning and coasted to a 6-1 victory over Glen Carbon. Hits in the frame were Bob Ketterer's single, triple by Johnson and Harris and O'Neil's single. Glen Carbon protested the game—claiming Post 113 failed to report a pitching change.

Sacred Heart Downs Maryville 5-1; Collinsville Wins 4-1 Over Mercers

Both Granite City teams own 5-4 records in the Southwestern Illinois Inter-City Baseball League after visiting Sacred Heart trimmed Maryville's Red Sox 5-1 and Collinsville's Boosters topped the Mercer Funeral Home 4-1 at Wilson Park yesterday.

Left-hander Cecil Simpson scattered eight hits at Maryville and five teammates rapped two hits apiece to pace the Sacred Heart victory. The Mercers, meanwhile, managed only one unearned run off a pair of Collinsville hurlers.

With the teams nearing the halfway point of their 21-game schedules, Collinsville tops the Red Division with an 8-1 record with a Hearts second at 5-4. In the Blue Division, St. Clair Heating of East St. Louis is first at 6-2 with the Mercers and Pochontas tied for runner-up with 5-4 marks.

In the only other game played yesterday, Troy outslugged Pochontas 11-0. St. Clair's game against Alton was postponed.

SUNSET HILL GOLFERS
Win St. Louis Tourney
Lelan Garner and Jim Holland Granite Cityans representing the Sunset Hill Country Club, teamed with two Norwood Hills golfers to win the four-man best-ball tournament at the St. Louis course Saturday.

The two local men teamed with Lee Otten and Lee Hornmeyer for a total score of 33. The foursome received \$400 in merchandise for their efforts.

Three-hit victory. Against Collinsville at Lee Park, Betty Glidden also clinched a third title.

Mathews Chevy Improves Mark to 14-10
In Tune-Ups for Battle With Alt-Wood
Mathews Chevrolet, improving its record to 14-10, took three of four games late last week in tune-ups for Wednesday's 7:30 p.m. encounter with state champion Alt-Wood at Wilson Park.

The Mathews club, beaten in the state championship game by Alt-Wood last season, split games with Mozele-Thurmer on Thursday at Manchester, Mo., winning 4-0 and losing 3-1, and except two Saturday at Caseyville, 6-3 and 8-2.

Thursday's games gave Mathews a 5-5 Bi-State League record. The games with Caseyville's Mathews were non-league affairs.

Battling averages, announced today by manager Bob Stegemeyer, showing the team at .362 with Jack Scarborough at .327 and Ron Dillard at .304. In pitching, Carroll Glisson has a 6-5 won-loss record and a sparkling 1.98 earned-run average. Other hurlers' records are Norm Grote, 5-4 and 2.79, and Ray Hoffman, 3-1 and 2.52.

Glisson turned in a three-hitter in Thursday's victory over the Thummers. All four Mathews' runs came in the second inning when Stegemeyer was hit by a pitch with the bases loaded and Glisson and Mary Brokaw rapped singles.

In the second game, the only run for Mathews was Joe Fanning's fourth-inning round-tripper. Both loser Norm Grote and the Thummers' Mike McBride gave up only four hits.

At Caseyville, Mathews opened with a three-run inning on Ron Dillard's triple, singles by Brokaw and Dan Reilly and Roger Smith's sacrifice fly. Dillard's double and a single by Brokaw sparked the two-run seventh frame.

Caseyville grabbed a 2-1 edge in the second tilt, but Mathews scored four in the sixth inning as Brokaw, Finn, Smith and

walked only one. The only run against him was unearned.

Ex-Mate In Victory
Bob Vetter, who pitched for the Mercers last season, worked the first 8½ innings for Collinsville and took credit for the victory. The only run off him was unearned as Charles "Jo-Jo" Johannmeier tripled and scored on an outfield error in the eighth.

Vetter gave up six hits, walked five and fanned eight. Pat Harris went the distance for the Mercers and gave up nine hits including two each by Larry McCaskey and John Basarich. Harold Tankley had two hits for Mercers.

The Boosters scored in the second on a wild pitch and added two more in the third on hits by Chuck Hensenthat, Al Peludat and McCaskey plus an outfield error.

Their final tally came in the fifth on hits by McCaskey, Wayne Crossano and Basarich. Next Sunday, Collinsville visits Sacred Heart here while the Mercers go to Pochontas.

Score by innings:
Collinsville 0 1 0 0 0 0 9
Mercer 0 0 0 0 0 0 1
Sacred Heart 0 1 0 0 1 0 3
Maryville 0 0 0 0 0 0 1
Collinsville 0 1 0 0 0 0 9
Mercer 0 0 0 0 0 0 1
Sacred Heart 0 1 0 0 1 0 3

YMCAs Beats PFCs
Via 28-Hr Attack
Slamming 28 hits, the YMCA clubbed the PFCs 21-2 Thursday night in the High School League slow-pitch softball at Wilson Park. Leading the attack was Jerry Nelson with a triple and three doubles.

Getting three hits each were Emmert Donnerberg, Charles Stephens, Fred Painter, Eddie Hendon and Mike Rousseau. Stegmeyer had two of the PFCs' seven hits.

It was the YMCA's first win in three starts while the PFCs stand 0-3.

She was awarded a cash prize of \$15 for the best individual collection. Second prize of \$10 went to Robert Slattery, 13, son of Mrs. Ginger Slattery, of 1306 Kirkpatrick Homes, for collection of \$55. Third prize of \$3 was won by Patrick Fuller, 9, son of Mr. and Mrs. Carl Fuller, 2707 Roosevelt avenue, who collected \$48.

The club prize of \$25 was won by Gamma Omega, which had 10 members taking part in the collection. They collected a total of \$160, or an average of \$16 for each of the girls who worked. Brannan said the Rock club also turned in an outstanding total collection of \$212. The Rock club, however, had 17 youngsters working and the total collection was \$12 per worker, permitting the Gamma Omega Delta group to take the club prize.

Rev. Crause New Pastor of EUB Church

Announcement was made today of the assignment of the Rev. Edwin Crause to the pastorate of the Good Shepherd Evangelical United Brethren Church, National and Sunbury drives. Rev. Crause will arrive here early in July with his wife Maxine, and daughter Barbara, 17, to take over his new duties July 5.

He attended Indiana Central College in Indianapolis, and has just completed seminary work at Evangelical Theological Seminary in Naperville, Ill. He has been serving the First Evangelical United Brethren Church in Manhattan, Ill., for the past three years. The family will occupy the parsonage at 2317 Wilson avenue.

Rev. Crause succeeds Rev. B. L. Bryan who will go to East Jordan Evangelical United Brethren Church near Sterling, Ill., after completing six years service at the local church. The assignments were made at the 120th annual session of the Illinois Conference of EUB churches in Naperville the past week.

Rev. Crause will leave July 1 to assume his new pastoral duties. The Good Shepherd church was organized under his leadership. One of the mission churches of the Illinois Conference of the EUB church.

Rev. Crause is president of the Quad-Cities Ministerial Association and has held other offices in the organization. He has served as secretary of the University Religious Council at the Quad-Cities Edwardsville campus of Southeastern Illinois University. Christian Education chairman of the Madison-St. Clair Area Council of Churches and chaplain of the Granite City Cadet Squadron of the Civil Air Patrol. Mrs. Crause has been active in the Association, Bill Terrell, bullethead committee chairman, Ernest Greene, a member of the building committee, and the pastor, Rev. Keith Stanford.

meeting until early in August and therefore cannot act on the recommendation of its finance committee until that time.

The Mayor was notified by A. E. Anderson, vice-president, secretary and controller of Illinois Terminal, that members of the finance committee had been notified to meet June 25. Representatives of the committee include E. J. Martin, vice-president, and controller of Illinois Central railroad; N. J. Hull, controller of New York Central railroad; C. B. Campbell, president of finance and accountant, New York, Chicago and St. Louis railroad; C. M. Rayburn, secretary-treasurer, St. Louis-San Francisco railroad; C. B. Deibel, vice-president, secretary-treasurer, Wabash railroad.

According to Dr. Lee the city council assumes that the bonds can be refinanced if certain considerations are met, principal of which is permission to bondholders for a rescheduling of the A bonds.

CEREMONIES WITH A PLOW were held Sunday by Suburban Baptist Church to break ground for a new \$40,000 chapel at 2300 St. Clair avenue. Taking part, left to right—were Rev. Lee Swope, Carbondale, secretary of Episcopism for the Illinois Baptist State Association, Bill Terrell, bullethead committee chairman, Ernest Greene, a member of the building committee, and the pastor, Rev. Keith Stanford.

Henry F. Flaxbeard, 73, Dies Sunday

Henry Frederick Flaxbeard, 73, of 3189 Aubrey avenue, was stricken with a fatal heart attack about 12:45 p.m. Sunday at Jewish Hospital, St. Louis. He had been ill six weeks and in the hospital the same period.

A 50-year resident of Granite City, he was born in Nashville, Tenn. From 1940 until 1960 he was part owner of Johnson's Roller Rink. He retired in 1955 as a tin shop foreman from Granite City Steel Co. after 32 years with the company.

He is survived by his wife, Elsie, a daughter, Mrs. Charles (Henrietta) Johnson of Granite City, a son, Homer Flaxbeard, of Granite City, four grandchildren and three great-grandchildren.

An obituary notice appears elsewhere in today's issue.

Suburban Baptist Church Breaks Ground with Plow

A groundbreaking service was held Sunday at Suburban Baptist Church to mark the beginning of a new \$40,000 chapel to be built by the congregation on a site at 2300 St. Clair avenue. Rev. Lee Swope of Carbondale, secretary of Episcopism for the Illinois Baptist State Association, was guest speaker. Rev. Keith Stanford is pastor of Suburban.

After the morning service, the entire congregation helped to pull a hand plow to break ground for the new addition. An anthem, "Lift Up Your Heads, O Ye Gates," by B. B. McKinney, was sung by the junior and intermediate choirs. The closing prayer was by Bill Terrell, bullethead committee chairman. A hot dinner closed the day's special services. The dinner was planned by committee chairman Mrs. Georgia Harlow, aided by Mrs. Norma LeVaut and Rose Lutz. The groundbreaking committee consisted of E. J. Martin, chairman, Al Mohorn, Greene, chairman, Al Mohorn, Bullethead committee chairman, Jack Mullinax, and Charles Lutz.

The air-conditioned chapel will seat 350 people. It is expected to be completed by November 1. The church building committee, in addition to Mr. Terrell, includes Melvin H. Hosen, Peterson, Joanne Terrell, Hilroy Lewis, and John Smith, Roy Fisher, James Blaylock, Ernest Greene and Paul Egger.

Appointed to Illinois

Emergency Committee

C. E. Townsend, editor and publisher of the Granite City Press-Record, "has been appointed a member of the Illinois State Emergency Resources Planning Committee it was announced today. The appointment was made by Gov. Otto Kerner who pointed out that Illinois is the first state to qualify for federal funds under the government's emergency resources planning program.

The new State Emergency Resources Planning Committee is part of a master plan for national security that will entail preparations to meet the most extreme emergency by marshaling the full resources of the state to their maximum effectiveness. The commissioners will be aided by a professional staff.

State Capitol NEWS

FREEDOM RING PROJECT JULY 4

All Illinois radio and television stations are being asked to broadcast the sound of bells at 1 p.m. on July 4 for four minutes in recognition of the nationwide "Let Freedom Ring" ceremony.

Preparations are being made for ringing bells in churches, town halls, schools and other public buildings throughout the state. Gov. Otto Kerner has asked that the bells be sounded as "a ringing pledge of allegiance to home and country."

Edward B. Akin, Springfield coordinator of the Independence Day program for the governor's office, has announced that a replica of the famed Liberty Bell in Philadelphia will be sounded in Springfield at the appointed time. A special ceremony conducted by the Illinois Veterans Commission will feature the reading of the Bill of Rights and excerpts from the Constitution.

ADC PILOT PROGRAM SAVES MILLION DOLLARS

A pilot program to reduce Aid to Dependent Children caseloads in 21 counties has resulted in net savings to the State of Illinois of more than \$1 million a month, Gov. Otto Kerner has announced.

The program was initiated in late spring of 1962 in the following counties: Adams, Alexander, Champaign, Cook, Franklin, Jackson, Jefferson, Macomb, Madison, Madison, Marion, McLean, Peoria, Rock Island, Sangamon, St. Clair, Vermilion, Will, Williamson, and Winnebago.

The 21 counties were selected for the program because they were the most costly in terms of ADC expenditures were reduced by hiring additional employees in the counties involved so that each worker was responsible for a smaller number of cases. This permitted a concentration on individuals showing the greatest potential for self-support.

The cost in the increase in staff offset the decrease in assistance costs, resulting in net savings to the state of more than \$1 million a month, the governor pointed out.

AUTO SAFETY BELT STANDARDS OUTLINED

Regulations assuring motorists of the quality and strength of automotive seat belts have been announced by Joseph E. Ragen, director of the Illinois Department of Public Safety.

The law requires that two sets of belts be installed in the front seat of 1965 model passenger vehicles. These belts, as well as those sold over the counter or installed in older cars, must meet 5,000-pound strength requirements. Ragen said the Illinois' new requirements coincide with the provisions of the Society of Automotive Engineers' specifications SAE J44 and others as applicable.

Court Rules Three Years Probation; Other Hearings Set

Jack Hill, 42, of 1708 Spring avenue, was given three years probation Thursday in Madison county circuit court, and probation hearings are set for Thursday for two other Granite City defendants.

Hill pleaded guilty to a charge of taking indecent liberties with a child. He was arrested last Jan. 27.

The probation hearings Thursday are for Charles Ray, 18, of 2504 Denver street, and Jack Brooks, 20, of 2313 East 23rd street, who pleaded guilty early this month to burglary charges. They were caught early last November inside the Veterans of Foreign Wars club during a break-in.

Arrested with them was David Keel, 20, of 1619 Delmar avenue, who was granted a continuance on his hearing until today as he had obtained a new defense attorney. Other charges are pending against both Ray and Brooks.

Criminal Case Setting
Four other Granite City defendants are named in a criminal setting docketed for the week of July 6. Included are:

Jimmie D. Poe, 22, of 2432 Miescourt avenue, charged with burglary and theft at Johnson's Music store on Feb. 8 when a safe was stolen. Poe is charged

Venice Boys Fined For Gas Siphoning

Three Venice boys had been assessed fines and costs totaling \$125 today on charges of curfew violation and petty larceny filed after their arrest last week for siphoning gasoline from a truck at Market and State streets in Venice. One of the boys also was fined on additional charges of possessing an invalid driver's license and using a fictitious license plate on his car.

Fined on the four charges was James E. King, 19, of 99 Weaver street, Venice, who was assessed fines and costs of \$75. Wendell Wilson, 20, of 1210 College avenue, Venice, \$25, and George S. Gant, 17, of 163 Viola Jones Homes, \$35, both on charges of curfew violation and petty larceny.

The boys were arrested early on the morning of June 17 by Madison police who said they came upon the youths with a garden hose inserted into the tank of a large truck, the other end in a five-gallon gas can. Another boy fled the scene and is being sought.

In another indictment for a burglary May 11 at Smitty's Bar-B-Q restaurant, 2726 Nameoki road, and is under sentence in a Missouri court for armed robbery. He has been at Liberty on that sentence on an appeal bond.

David Hastings, 17, of 4708 Kirkpatrick Homes, William Eugene Everts, 19, of 2227 East 24th street, and David Edward Gann, 18, of 2200 Terminal avenue, charged with burglary at the Parkway confectionery, 27th and Buxton streets, last month. Gann is listed separately in the same setting on an armed robbery charge.

CHICKENS AND THEIR BLUEBERRIES are not soon parted. Mrs. Louise Daniels, 2705 Denver street, is shown admiring her burgeoning blueberry bush, which produced berries this year for the first time in 40 seasons, after she separated the bush from her chickens.

No More Blackberry-Fed Chickens at Daniel Home

The blackberry season is now in its peak, and for the first time in 40 years Mrs. Louise Daniels is enjoying it.

Mrs. Daniels has had a blackberry bush in her side yard, at 2705 Denver street, all that time, but until this year only her chickens—now seven hens and a rooster—have enjoyed it.

Last summer she decided to separate the bush from its raiders with a fence. The result showed this week—the bush is reported at 2:30 p.m. Thursday, the first she has been in four decades.

Mrs. Daniels says the chickens do not seem to mind the fence, and the berries are plump and delicious.

Damages Side of Auto

Willard T. Dickerson, 42, of Collinsville, backed his car into the left side of one driven by Larry A. Goodall, 17, of 2350 Iowa street, damaging it, at 12:35 p.m. Thursday at August and Edwards streets.

Hit-And-Run Accident

A hit-and-run driver damaged the right rear of a car owned by Herbert Mueller, 3806 Kirkpatrick Homes, while it was parked at 3900 Kirkpatrick Homes, it was reported at 2:30 p.m. Thursday.

MISS BARNES DELAGATE TO YWA CONFERENCE

The Woman's Missionary Union of Second Baptist Church sponsored Miss Evelyn Barnes as a participant in a national Young Woman's Auxiliary conference held at Ridgecrest Baptist Assembly in North Carolina last week.

Miss Barnes traveled by chartered bus from Carbondale along with 23 other Illinois girls and Miss Russell Drinnen in Illinois youth director. The group spent the night in Knoxville, Tenn., and the following day toured the Cherokee Indian reservation and Gatlinburg, Tenn. They arrived at Ridgecrest the same afternoon.

Theme for the conference was "One World—One Way." Guest speakers included Baptist workers from several states and many missionaries who have served in foreign countries. The Illinois delegates visited two youth camps and Ching-tai, Taiwan, while they were in North Carolina.

Enroute home Wednesday, the group spent the night in Smithville and toured the Sunday school board and Parson-New College. Miss Barnes visited with friends in Carversville before returning home Friday.

MONKS MOUND OUTING FOR RA GROUP

Harold E. Hurst, Crusader of Second Baptist Church, met at the church Saturday morning and went to Monks Mound, accompanied by the boys were the counselors, Rev. Richard Miller and Carlos LeVaul, the RA leader, Robert Lewis and assistant counselor John Hagler.

The boys played baseball, baseball, horseshoes and other games. After the recreation period the boys held a winner round and Lewis gave the trophy and her flowers were a corsage of white chrysanthemums.

Nesco Re-elect Orville Meyer

Members of Local 1021, United Steelworkers of America, employed at Nesco Steel Barrel Company, re-elected Orville Meyer, incumbent official in balloting at the Labor Temple last week.

Three of the major officials, incumbents won easily in nearly all instances. Orville Meyer, incumbent president, was re-elected by a vote of 50 to 7 for his opponent Harold Ayres. George Mariette, incumbent vice-president, was re-elected without opposition, as was Charles Dvoracek, incumbent recording secretary, also without opposition. Theodore Yager was re-elected financial secretary without opposition, but Elmer Baumeier, incumbent treasurer, defeated his opponent, Ernest Stoyer, by a vote of 35 to 21.

The only instance in which an incumbent was defeated was for the post of guide. James L. Smith, incumbent, was defeated by Oliver Stegelmeier, 45 to 12. Stegelmeier formerly was guard, but did not seek re-election to that post. Pete Dondritsch was elected guard without opposition.

Three trustees were elected without opposition, two of them incumbents. They are Russell Albert and Harry Jeffries. The new trustee is Elvis Lodge.

Five members of the grievance committee were elected from the field of seven. On the committee are Meyer, Dvoracek, Mariette, Albert and Thomas Stoyer. Defeated candidates were David Young and Harold Ayres.

David Young was elected shop steward without opposition.

A riot, which appeared for a few seconds to be the promise of a general free-for-all fight, broke up the ball game, Sunday, between the Field-Lippman's of St. Louis, and the Childs & Andersons of Granite City. It was, three local players are nursing very sore eyes, and still are recounting the suddenness of the event.

After the near-riot, the St. Louis team, followed by the entire crowd, hastened to their hotel, where they changed their baseball uniforms for civilian garb. Then, with the crowd still following them, they were escorted by Police Chief White and three policemen to the McKinley cars for their return to St. Louis. This was the final game of the season.

Railroad Contract Another Step Forward For Local Port District

The railroad service contract announced by Illinois Terminal Railroad and the Tri-City Regional Port District is another positive indication of a busy and bright future for the northern section of the Port of Granite City. The southern area already is a bustling center of shipping activity conducted by the Bi-State Development Agency.

Signing of the agreement sets the stage for a \$250,000 Port District rail construction project and further progress toward the \$800,000 terminal planned by National Marine Service, Inc., as well as facilities for tenant firms.

The district's approach has been cautious, but its soundness is reflected by the fact that levying of property taxes has been avoided while planning a river-rail-track terminal of substantial proportions. The policy being followed will encourage not only shipping but related storage, processing and manufacturing that can bolster the economy of the entire Quad-City area.

With the access road to the port district site already completed, Quad-City citizens will watch with interest as additional physical improvements are carried out and as the subsequent commercial activity grows in variety and volume.

Excise Tax An Excellent Target For Tax Cutters

Moderate success of the 1964 income tax cut, producing a busy economy and broader tax revenue, is said to be convincing government officials that they should adopt another tax cut, or possibly a series of annual reductions.

Following this line of thinking—a tax slash stimulating business so that it generates more taxes more than passing attention should be given to the effort to cut in half the 10% tax levied on cosmetics, toiletries, jewelry, watches, handbags, luggage, furs, wallets, etc. The tax would then be removed and charged to the tax man.

As the Illinois Retail Merchants Association has pointed out, elimination of excise taxes—imposed in world war II as a wartime emergency bill—would restore \$45 million of Illinois purchasing power and \$25 million nationally. There would be not only a gain in income taxes but a clear saving to all in eliminating the huge cost of collecting the excise tax.

The tax is regarded as discriminatory in that it applies to "luxuries" that no longer—if they ever did—fit that definition. If Congress decides to continue its tax cutting spree, the excise tax offers a golden opportunity to restore funds to consumers instantaneously.

Daily dole: A little patience at least once. A minute of selfishness. A kind word, or two or three. A bit of self-control, somewhere.

A flash of anger. A prompt excuse—for someone else. A noble thought—perhaps a text recalled. A good deed, not left undone. A brief prayer, for a friend in trouble. The luxury of a moment of thankfulness for blessings enjoyed. A kindly smile—where it may brighten another. And a song, or a hum of a tune.

Illinois Power Board Declares Dividends

The board of directors of Illinois Power Co. at a meeting held Thursday in Decatur, declared regular quarterly dividends of 51 cents per share on the 4.08% cumulative preferred stock; 52 cents per share on the 4.26% cumulative preferred stock; 53 cents per share on the 4.42% cumulative preferred stock; 54 cents per share on the 4.60% cumulative preferred stock; and 55 cents per share on the common stock of the Company.

These dividends are all payable Aug. 1, to stockholders of record on July 10.

Schedule does not mention the fact that the Shopper's Express delivered packages on Tuesday afternoon at the express store, located at the intersection of the express store and the express store.

Three ladies boarded the bus on Terrace lane for the first time yesterday, and were very enthusiastic about it on their return. So please give it more time to become known, and, if possible, advertise the service.

For President in 1966 — A 1964 SWIU Graduate

The American dream has always included the possibility that each person's offspring might someday become president of the United States. For most, the prospect has been far from a probability, although several recent presidents have proven that supposedly shackling precedents can be broken.

Chances of becoming president were chosen by Rexford Guy Tugwell, a member of the late "D.D.'s 'brain trust'" for extensive discussion during his address at the fifth annual commencement exercises of Northwestern University this month. His analysis suggested that the best plan to follow is to become a lawyer. Army generally live in the midwest or at least have some close link to this part of the country, earn plenty of money—and arrange to have North European ancestry.

Other helpful attributes are a talent for public persuasion, driving ambition, a sense of the nation's destiny and a desire to further that destiny. A penchant for politics, with both its joys and sorrows, also would seem to be valuable in the words of former President Truman, "If you can't stand the heat, stay out of the kitchen."

We, of course, do not know whether one of the 411 new SWIU graduates will be elected president in 1966. Any such prediction is a safe one, since it will have been forgotten by then.

But, happily, each of the graduates has an excellent opportunity to find a niche in which he can serve effectively and satisfyingly in the most advanced civilization yet devised—a democratic way of life keyed to fair play and fulfillment. This is the real American dream—a dream that has come to life and will flourish as long as each new generation gives top priority to citizenship duties and the perpetuation of freedom.

Old 'Racket' Not So Lucrative Any More

Pity the plight of the poor croquet manufacturer, who once upon a time could make a yard pastime is rapidly losing out to badminton.

Changing times usually run their course before a trend can be reversed. But we will enlist in the ranks of those who view with alarm the approaching demise of the sport of stakes, mallets and wickets.

Not only is croquet much less fatiguing on a warm day, but can a smash with a badminton racket ever make a croquet ball fly out of the park, knocking an opponent's croquet ball into a handy flower bed or sandbox?

The best friends are usually not those thought of as such.

Equal Pay For Women In Identical Jobs

Fifty years ago, the "equality for women" issue centered around the right to vote. Today, it is the right to equal pay.

Just as the voting franchise was achieved, the latter drive is nearing success; the Equal Pay Act of 1963, barring discrimination in wages solely on the basis of sex, was signed June 11.

The Fair Labor Standards Act amendment not only applies to an estimated seven million women but also to any man who are being paid less than women for equal work.

Fortunately, what constitutes equal work remains largely undefined—a protection for women as well as men. Total remuneration, with inability to rise above a particular pay level, would not mean sex "equal" with anything that is worthwhile.

With a salute to the skill and progress of women in a wide variety of careers, we caution them against striving too hard to be equal in all respects, especially those fields in which they are ready-made the male portion of the population. The French have said it best: "Vive la difference!"

Samson was a piker. He killed only a thousand men with a jawbone. Every hour in the day, ten thousand sales are killed with the same weapon.

\$18,000 Worth of Civic Projects GC Rotary Horse Show Tickets Now on Sale

Granite City Rotarians will start this week's beginning selling tickets to the club's sixth annual Western Horse Show, all profits of which go toward civic improvement activities. The program will be held Sunday, Aug. 30, at the Tri-City Speedway.

Within the past ten years the club has raised about \$18,000 for community projects. The most recent was the gift of a new \$7000 emergency vehicle to the main Granite City fire station. The vehicle is equipped with an inhalator-resuscitator and was donated two months ago.

For a few years the club sponsored a Home Show and six of acoustical tile in the conference area changed its presentation to one involving horses and riding. The Horse Show is held at only a fraction of its kind in the area and is a source of funds for the club's fund-raising efforts. The club also has contributed annually a summer scholarship for attendance at Northwestern University, contributed one scholarship each year to the Granite City Scholarship Foundation, and supplied St. Elizabeth Hospital with a dental surgery lamp for the operating room.

Propose Auditing Old JP Accounts

A special audit of the accounts of all former Madison county justices of the peace will be recommended by the finance committee of the county board of supervisors as the result of action taken by a committee of the board at its meeting last week at Edwardsville. Finance committee members voted to urge the audit be made in addition to the regular annual audit of all county financial accounts.

Arrangements with an audit firm to do the work are being made by County Auditor John Kravack. Leslie Prehn, Wood River, chairman of the finance committee, said funds for such an audit are insufficient but that the county is determined to go ahead with the project "as far as we can go."

THE PASTOR SPEAKS

REV. GEORGE H. D. READER
First Church of the Nazarenes

We live in a high-pressure age. Life is filled with complexity, competition and tension. A hundred interests call for our time and attention.

The souls of the multitudes are torn by the inner conflict of the modern mind. We desire peace and simplicity, living, but the majority fail to find it.

There is a life of peace and simplicity. It is found in the Christ-centered life.

Here nothing has value except as it relates to Christ. His will and His glory. Sinful desires are removed from the heart and sinful interests are denied and forsaken. A single motive regulates all of life—the doing of God's will. We must take up our cross and follow Jesus.

and relationship, and the soul finds peace.

Jesus lived this life before us. He was not torn by the competing and conflicting interests of the world.

He lived with a single purpose, to do the will of the Father who sent him. The doing of the Father's will was his zest and delight.

Whether that will led to the triumphant entry with its shouts of praise, the Mount of Transfiguration with its foretaste of heavenly glory, the Garden of Gethsemane with its agony and bloody sweat, or the cross with its ignominy, shame and death—His purpose was single: to do the will of God.

He that would find peace and rest of soul and a single plan of life amid the complexities, clamor and rush of our world, must deny himself.

He must take up his cross, and follow Jesus.

1764 Persons in County Getting Disability Pensions

Social security disability payments are now going to 1764 persons in Madison County, according to Ralph Brasher, social security district manager in East St. Louis, announced this week. However, he noted that some qualified disabled persons have not applied for their benefits.

Brasher said persons under age 65 who have worked in covered by social security about half the time in the last ten years are now unable to work because of severe disability may be losing social security benefits if they do not apply for them.

He urged anyone who has left a job for reasons of health to get in touch with the social security office. He said that relatives of persons unable to manage their own affairs may act as beneficiaries.

Disability benefits have been a part of social security protection for only the past seven years and are not as well known as the old-age and survivors benefits.

Brasher went on to point out that due to an arrangement with the state vocational rehabilitation agency, many disabled persons receive training in new fields enabling them to once again earn their own living. Administration offices are in room 300, 435 Missouri avenue, East St. Louis.

Budget Talk Tonight for GC Council Members

A 7 p.m. starting time has been set for today's meeting of the Granite City council for a quick handling of routine business in order to begin study of the city's 1964-65 budget.

There is a possibility the long-awaited ordinance setting sewerage treatment fees for householders, businesses and industries may be ready for presentation by the Special Pollution Study committee, and the council also may be called upon for final decision to grant a Friday, July 3, holiday to salaried employees other than police and firemen.

The holiday resolution was placed on first reading last week, at the same meeting; Alderman Charles Moerlein announced the pollution committee might have the sewage rate ordinance prepared to go to the council.

Members are to be paid off the proposed \$175,000 revenue bond to finance construction of a new fire station disclosed on the new budget for the road at Victory drive.

General Steel Board Ok's Quarterly Dividend

Directors of General Steel Industries, Inc., at a meeting Thursday declared a quarterly dividend of 30 cents per share on the common stock, it was announced by Charles F. Whitehead, president.

The dividend is payable Sept. 30, to stockholders of record at the close of business Sept. 18.

Bike Rider Not Hurt

June Weddings and Engagements Continue to Highlight the Quad-Cities Social Scene

Sunday Wedding at Alton for Miss Ready, James Gitchoff

Miss Martha Jane Ready, Hamilton, O., Mrs. Robert daughter of Mr. and Mrs. Ray, St. Paul, Minn., a cousin of the groom, 612 Blair avenue, Alton, and James Paul Gitchoff, Alton, whose parents reside at 2648 Benton street, were united in marriage Sunday afternoon at 2:30.

The main street Methodist church, Alton, was the scene of the wedding with Dr. Dimiter E. Wasson and Rev. John Henderson, officiating at the double-ring ceremony.

The bride's gown was a full-length of ivory pail de sole with a controlled skirt in front following to a full chapel-length train. The bodice was fitted and accented by lace insets which highlighted the rounded neckline. The same lace was highly friends as they arrived at the church in an oval pattern on the skirt and on a self-fabric. The bride's hair was styled in a bun which accented the waist.

The chapel train featured a diamond-shaped overlay which was again highlighted by the lace insets. The gown had long sleeves ending in points. The bride wore a Madonna veil bordered Alton high school and Indiana again highlighted by the lace insets. The gown had long sleeves ending in points. Hairston to Leave For NAACP Meeting

Hugh Hairston, 301 S. Main street, Venice, Illinois chairman of the Fighting Fund for Freedom division of the NAACP will leave Wednesday for Washington, D.C. to attend sessions of the National NAACP convention which is to continue through Saturday. Hairston said that he will join delegates Thursday in a trip to the tomb of the late President J. F. Kennedy and Dr. Medgar Evers, slain NAACP leader. On Friday, Hairston said he will make his report on collections for the Fighting Fund and he hopes to report collections of \$10,000. Hairston said Madison met its full quota of \$222. He said his report will include memberships of 20 white men, one of whom paid a \$500 lifetime membership. All donations to the Fighting Fund are used for NAACP activities, including attorney fees, bail bonds and organizational activities. Membership fees go to the Fighting Fund for Freedom committee for its operation, he explained. Hairston said anyone wishing to make a donation may contact him before 9 a.m. Wednesday. 34-6-22

Senior Citizens Open Observance; Social Sunday

Senior Citizens of Granite City today opened observance of their own special week, planning to bring to public attention the well-rounded program carried out by the organization and the fund-raising campaign, attended the dinner held at Rusty's in Edwardsville. Dr. Berman serves in the cardiac diagnostic section of the association.

Senior Citizens week opened in the area Sunday and will continue through the week, culminating on Sunday, June 28, with an open house program at the YMCA from 2 to 5 p.m. A proclamation declaring Senior Citizens week was issued by Quad-City mayors.

A campaign to obtain new members will be conducted in conjunction with this week's program, although the organization always is open to newcomers. The Granite City group, which is sponsored by the YMCA, has approximately 100 members.

Next Sunday's social will be marked with displays of crafts, painting, needlework and other items made by members of the group, and a planned program will be presented, featuring community singing. The program will be open to the public and new Senior Citizens have been particularly invited.

Plans for an expanded program of activities are being worked out. The organization already has a busy schedule which includes games, handicraft work, hobbies, trips to historic and scenic sites and other recreational activities. Facilities of the YMCA are made available to the group at specified times.

Next Week Deadline For Wagering Stamps

Occupational wagering stamps now in effect will expire June 30. Jay G. Philpott, district director of internal revenue, Springfield, announced today. After that date anyone who has not purchased a stamp and accepts wagers is subject to federal prosecution.

Philpott said internal revenue law requires all persons who accept wagers or conduct wagering pools or lotteries must file a form 11C, a special tax return and application, and submit the tax of \$50, before engaging in business. Agents and employees must likewise comply. Failure to comply makes the offender liable to a fine of up to \$10,000 or imprisonment for one year, or both, he stated. Madison county authorities customarily arrest individuals securing federal gaming stamps.

Patronage Jumps On New Bi-State Express Lines

Two experimental rush-hour express lines established by Bi-State Transit System in Granite City have shown substantial increases in patronage since they were initiated last May 18, it was announced Thursday afternoon. Each of two lines — the Granite City Express and the Pontoon Road Express — have a companion shopper express line.

On the basis of patronage of the first week May 18-23, compared with that of the fourth week of service June 8-13, the Granite City line showed an increase of 63.2% and the Pontoon Road line an increase of 32.9%.

The Bi-State Transit System announced recently that it is revising the two Granite City lines in accordance with requests of city officials, but that it did so reluctantly because it felt better service would be provided as they originally were established. Transit officials said they have applied to the Federal Housing and Home Finance Agency for permission to make revisions.

As revised, the Granite City Express originates in the northwestern part of Granite City and operates over Prairie avenue, Pontoon road, Nameoki road, Johnson road, Benton street, 25th street, Delmar avenue, 18th street, State street and Broadway, then over McKinley Bridge to downtown St. Louis.

The Pontoon Road express, also revised, starts in the northeastern part of Granite City and operates over Pontoon road, Johnson road, St. Clair avenue, Wayne avenue, Faith avenue, Nameoki avenue and Edwardsville road, through Madison and over McKinley bridge to downtown St. Louis.

There are five similar routes in St. Louis. All of the routes are financed partly with a \$337,754 Federal grant covering losses of operating cost during the one-year experimental period. Cost to Bi-State will be \$178,877 as its share of the loss.

Officials said the project will provide to the government a controlled experiment to determine the conditions under which new service of this kind will gain acceptance and thus be helpful to public officials, planners and other metropolitan transit systems.

The transit system reported that patronage on all seven of the experimental lines, five in St. Louis and two in Granite City, show an average patronage increase of 27.1%.

NOW! New comfort! New durability! New beauty in NEW 1964 SEALY POSTUREPEDIC® ...and no backache from sleeping on a too-soft mattress

Choose extra firm or gently firm Princess Posturepedic®
Sealy puts good, firm support, wondrous comfort and a "good morning" into every new Posturepedic. Both extra firm and gently firm Posturepedic are designed in cooperation with leading orthopedic surgeons to give you the support you need. New Duro-Edge® border wire spreads the support, and the comfort, right out to the edges. Ends sagging borders for good. Try the one and only Posturepedic today!

Full or twin size, matching foundation same price **\$7950**

Prefer foam? You want a Firm Foam Rubber Posturepedic®

Now you can get the same firm support provided by Sealy's innerspring Posturepedic in 100% pure latex. New Durofoam® core insures this uniform firmness throughout. And the entire mattress is framed by a wall of 50% firmer foam rubber—it won't sag ever! See the finest in foam rubber today!

Sold only in sets, Twin or full size **\$15900**

World's most lavish mattress... Imperial 200 Posturepedic®

On the inside, magnificent Posturepedic support, wrapped in glamorous Moonflow anti-fading designed by Celia Chapman. Quilted beneath the cover is billowy Sealyfoam® to make the surface even more cloud-soft. And, of course, no morning backache from sleeping on a too-soft mattress. It's made for sweet dreaming. Try it!
